Are you a final-year bachelor student or a master student, fluent in Romanian or Bulgarian? Are you eager to improve your teamwork, leadership and analytical skills? Do you see management consulting as a potential career option?

Then Case Study Challenge 2012 is the event for you!

We invite you to join us on April 20-21 for an anniversary edition of the Roland Berger Case Study Challenge in Bucharest.

In teams, you will compete against other motivated students to solve a real business riddle. You will have the chance to experience the everyday challenges and rewards of management consulting. And you will celebrate with us 20 years of excellence on the Romanian market.

This year, the competition has a new international flavor, as Bulgarian students will be invited to apply as well. The stakes are high, and the competition stronger: best-in-class contestants will have the chance to join our office for a two-month internship.

Roland Berger will award a limited number of scholarships to cover transportation and accommodation costs for students currently attending universities outside Bucharest.

For 20 years, we have been shaping the Romanian business environment through excellence, partnership and entrepreneurship. We know that excellence builds on outstanding challenges. So take on a worthy challenge: Case Study Challenge!

Find out more and apply sending us your resume and filling in the application form on challenge.rolandberger.ro by March 25th, 2012.

Looking forward to receiving your application!
